

FUNDRAISING IDEAS

Fundraise alone, with friends, family or colleagues... here are some ideas!

In the Community

Fundraising in the community is a great way to raise funds and awareness of our research. Whatever you choose to do, it's your event and we want you to enjoy the experience.

Have a go...

- Hold a bake sale - We can send you our Breast Tea Ever Pack
- Declutter and have a table top garage sale - anything left over could be sold on eBay in aid of us. eBayforcharity
- Hold a bingo or quiz night
- Raffles or tombolas are a great way to bring the community together
- Head shave or waxing

Online

It's simple, very effective, and the money comes straight to us. Take on a challenge and set up an online fundraising page.

Why don't you try...

- Run a marathon
- Cycle an epic ride
- Do a sky dive!
- How about a danceathon or walkathon
- Challenge yourself to clear out and sell your unwanted items on eBay in aid of us. eBayforcharity

Recycling

Every year thousands of pounds is raised for our breast cancer research by people just like you and organisations who support our recycling projects.

Recycle Your...

- Old unwanted bras
- Clothes and shoes
- Stamps
- Print cartridges
- Foreign currency

The most valuable assets of any company are the people who work within its workplace
